ABOUT US

We, at Sarita Gir Gau Samvardhan Kendra, rear Indian tradition and heritage in the form of cow-farm. Since its inception, with the Entry of first cow, named Sarita, we strive for perfection in terms of Health of cows, maintenance of surroundings, quality of milk, delivery System, consumer satisfaction, etc.

The enthusiasm of our founder Mr. Dharmendra Karavadra and his Team collectively has made it possible to achieve prestigious 'Gopal Ratna Award' in the national category of recognition through National Kamdhenu and Gopal Ratna Awards Program organized by the Department of Animal Husbandry and Fisheries, Government Of India.

"With the grace of Gau-Mata, I wish to fulfil my dreams of Gau oriented Healthy India." - Dharmendra Kawavadra

OUR GODHAN

Our Cows are selected on the basis of Genetic test reports, blood test and our Basic instincts. Cows are Treated through Ayurveda in necessary Conditions.

OUR GOSHALA

We ensure hygiene and cleanliness in each and every part of the farm. We play Indian Classical music to Stimulate milking. Feed provided to Cows come from own organic feed Farms and other chemical free feed processors.

SPECIAL FEATURES

The entire premise is under CCTV Surveillance system to ensure smooth Operation

OUR ETHICS...

We do not discard Bullocks or Non-Milking cows. We take care of Them and use cow urine and dung For the health demands of the Society.

THE FEATURES THAT MADE US WINNER ARE

- We feed our cow with organic food to improve milk quality without any medication given to cow.
- We use GPS tracker installed battery car for the milk delivery .
- We provide continue delivery service in all weather conditions without any delay or absent.
- We have very Organized Schedule that You'll get your milk within your decided time period without fail.
- Clean, spacious, airy, hygienic and sufficient space for all cows.
- CCTV cameras and staff to supervise the whole place 24*7.
- We have Installed Mosquito, Insect And Bee Killer System to protect cow.
